A Monthly Newsletter from Resurrection Lutheran Church

THANK YOU FROM THE LAKEVIEW LUTHERAN PARISH YOUTH!

Conventional wisdom would assert that if you want to get to know someone, you should travel with them. After planes to and from the west coast, ferries up and down Lake Chelan, bus rides up and down switchbacks in the Okanogen-Wenatchee National Forest, and hours of driving in rented minivans through the Cascade mountains and up the steep hills of Seattle, the 10 youth and pastors who travelled to Holden Village have gotten to know one another, engaging in conversations about music, faith, and life, and sharing a most memorable and treasured experience.

Attending daily worship and a series on the Bible and Empire, performing at Open Mic Night and with a choir of women in worship, volunteering to scoop ice cream, cleaning up after meals, and moving logs for winter fuel, playing games and meeting new friends, and hiking up and down mountains (mostly unscathed) were some of the activities of the week. "Mostly unscathed" is because some bumps and bruises and mosquito bites affected the group, and descending from a long hike to Holden Lake, Pastor Michelle broke her wrist. The group problem solved together, secured help, and cared for her and one another from fall to return to village through the end of our week together.

We look forward to sharing more pictures, stories, and reflections this fall. Until then, we are grateful for the support of Resurrection and all the Lakeview Lutheran Parish congregations!

July 3

Lord, on July 4th in the United States, we celebrate the holiday which marks the signing of the Declaration of Independence. Galatians 5:1 says “It is for freedom that Christ has set us free. Stand firm then, and do not let your selves be burdened again by a yoke of slavery.” Oh God, thank you for the blessings we enjoy and the freedom to worship you. Keep safe those who celebrate this weekend and help us to remember that real lasting eternal freedom is ours in your name.

Provide caregivers with wisdom, compassion, and strength, especially all who make decisions with and for their aging parents. Help all in these relationships affirm one another in love and grant forgiveness when patience wears thin or fatigue is present.

July 17

Heavenly parent, at creation, you placed people in the garden to till and keep it. You made farmer's work a holy calling that is designed to contribute to the health of the whole world. During our growing season, we ask for the continued development of crops and animals and pray for the safety of those who till and keep the earth.

Abounding in thanksgiving, we pray for this congregation. Bless all who prayed for and brought in items for our school supply drive for Lawrence Hall. Continue to bless our connections with partner ministries.

We give thanks for the gift of partnerships in ministry. We are especially grateful for the Lakeview Lutheran Parish and the many ministry opportunities we share. As we convene after worship for the first annual Sundaes Sunday Summer Gathering we ask God's blessings upon our socializing and eating. And, may our singing and praying bring glory to God's holy name.

Net Income	63.43	(27,857.66)	(14,823.62)

We are behind in projected offering and building use income which accounts from some of this deficit beyond what we anticipated in our budgeting process. Taking into consideration severance costs and building expenses related to the water infiltration project the deficit YTD decreases by ~\$19,386 to ~\$8,471.
